### Mike Ballard: Chairman and CEO, 1Velocity Ethernet Communications

With more than 20 years of experience in both information technology and communications industries, Mike has held long-established leadership roles in sales, marketing, finance and executive management. His cross-functional business approach is key to successfully driving strategic direction and building a customer-driven company.

In 1992 Mike founded Ballard Communications, one of the most successful and award-winning Public Relations firms in Nevada and the West. For the better part of a decade, it was the largest independent PR firm in Nevada. Active in his community, Mike is also the immediate past chairman of the Vegas Valley Angels, a past president of the Technology Business Alliance of Nevada, and sits on the board of the local chapter of Communities in Schools.
